

EDITORIAL PRESENTATIONS - MIFC 2017

**Get ready for your video editorial demonstration
in our dedicated screening room**

The International Classic Film Market proposes two video meetings to present to professionals your news and video line-ups.

In a 15-minute show - including talks, trailers and video excerpts - you introduce your next releases, your line-up or highlight a recent restoration or your catalogue.

These meetings take place in a 150 seats screening room, equipped with a 2K digital projector and a scope-size screen (7 m. width). Supported formats : DCP, HD file, mp4, mov, avi

THE MEETING OF VIDEO PUBLISHING

tuesday, 17th october, morning

MIFC proposes this new meeting dedicated to DVD / Blu-ray / VOD issues. This presentation takes place in a special day, with several encounters talking about video publishing contents.

THE MEETING OF HERITAGE DISTRIBUTORS

thursday 19th october, afternoon

One of the high points of MIFC since its beginning, the meeting of heritage distributors focuses this year movie theaters' releases, at international or french level.
